CREATIVE CALC

SIMPLIFY ANY MATHEMATICAL PROCESS.

Creative Calc lets you relate figures to each other instantly. Just enter the numbers and Creative Calc automatically calculates the result and puts it on the screen.

- Summarize and analyze your household expenses.
- Plan investments.
- Keep track of business expenses.
- Play "what if" with various options.
- Print out your spreadsheet or save it to disk.

Your calculations can be used with Creative Writer to create documents combining text and figures.

CREATIVE WRITER

EASY TO LEARN, EASY TO USE.

Now anything you do with a typewriter, you'll do better and faster with Creative Writer.

- Lets you concentrate on the words, not the processing.
- Arrange and rearrange words and paragraphs with the touch of a key.
- Compose, edit, save, retrieve, and print documents almost effortlessly.
- Move, block move, search and replace.
- Preview entire document on the screen before printing it out.

Creative Writer works with Creative Filer and Creative Calc to give you more word processing power than any integrated productivity series in its class.

CREATIVE FILER

MAINTAIN ALL YOUR RECORDS ON DISK.

The electronic filing system that simplifies your data management tasks.

- Create computerized index cards on the screen in any format.
- Add, modify, delete or just browse through data at the touch of a key.
- Automatic alphabetizing.
- Custom report formats.
- Change formats or add extra information later.

Creative Filer can be used with Creative Writer to integrate your data into customized documents.
